AA Preamble

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fee's for AA membership we are self supporting through our own contributions.

AA is not allied with any sect, denomination, politics, organization or institution, does not wish to engage with any controversy, neither endorses or opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety
